

December 2020

Dear Friend:

Thank you very much for being a **"Secret Santa"** for Georgia's children in foster care. While state and federal funds pay for a child's necessities, they do not cover the extras that can make the holiday season special for a child in foster care. By participating in the Georgia Division of Family and Children Services' (DFCS) Secret Santa Program, you are helping fulfill the Christmas wishes for children who have been deprived of so much.

This letter serves as a receipt of donation for accounting purposes. Please attach the receipt for the gifts or gift cards you purchased as proof of the value of your donation. If you need additional information, please call Donna Pettigrew-Jackson, Secret Santa Project Director at 404-558-0690.

We deeply appreciate your generosity and holiday spirit. On behalf of the children of Georgia, we thank you.

"No goods or services were received by the donor in return for this contribution."

Sincerely,

Tom C. Rawlings
Division Director
