December 2023

Dear Friend:

Thank you for helping the Clark's Christmas Kids program make this season a little brighter for Georgia's children in foster care. With your support, we are closer to our goal of providing three gifts to each child in care. State and federal funds pay for kids' necessities, but we rely on generous people like you to help us cover the extras and spread some holiday cheer. We could not do it without your support.

Please keep this letter for accounting purposes, as it serves as your receipt of donation and confirmation that no goods or services were received by you in return for your contribution. You should attach your receipt(s) for any gift(s) or gift card(s) that you purchased as proof of the value of your donation. If you need more information, please contact our Clark's Christmas Kids Project Director, Santrissa Johnson, at 404-803-5123 or santrissa.johnson@dhs.ga.gov.

Thank you again for your support this year. Our team at DHS and all our partners deeply appreciate your generosity in reminding children in foster care that they are loved and cared for during the holidays.

Sincerely,

A handwritten signature in black ink that reads 'Candice Broce'.
